APA Pacific Division Meeting
March 31-April 4, 2010
San Francisco, California

The Society for Student Philosophers (SSP) invites student submission of papers for possible presentation at the APA Pacific Division Meeting.

- Papers should be philosophical in the broad sense of the term, showcasing student research and critical thinking at its best.
- Authors must be of student status (e.g., not holding a Ph.D. and still pursuing their philosophical education) and papers must not be published or accepted for publication.
- Papers should be around 15 pages in length, and suitable for a 30 minute presentation.
- A paper can only be submitted to one of the SSP events for this academic year. Events for 2010 include: the Annual Conference and the APA-Pacific panels. Authors can only submit one paper per event (different papers can be submitted to different SSP events). Any paper that has been previously presented at a past SSP event is excluded from consideration.
